GOVERNMENT OF MADRAS.

ABSTRACT.

ELECTRICITY - Madras Electricity Duty Act and Rules - Commissioners of Municipalities owning electrical undertakings - Supply of duty free energy - Orders issued.

PUBLIC WORKS DEPARTMENT.

G.O.Ms.No.3767. Dated the 17th September 1953.

Read the following:-

G.O.No.Ms.2613 Public Works dated 9-10-45.
G.O.No.Ms.531, Public Works dated 7-2-1953.
From the Commissioner, Bodinayakanur Municipality, E.2 No.3492/53 dated 20-5-1953.
From the Chief Electrical Inspector to Government No.608/Accts/52-87 dated 24-6-1953.
From the Chief Engineer(Electricity) No.61 J.53-2 dated 13-7-53.

O R D E R :-

In his letter read above, the Commissioner, Bodinayakanur Municipality, has suggested that as the Commissioner of the Municipality owning an electrical undertaking is also the Chief Administrative head of the Municipal Electricity Department and is looking after and taking responsibility for the administration of the Department, the concession of the supply of duty-free energy up to 25 units sanctioned by to the Engineers in G.O.No.Ms.531, Public Works dated 7-2-1953, may be extended also to the Commissioners. He has also suggested maximum limits for the duty free supply of energy to the other non-technical staff of the Municipal Electricity Department, like electricity accountant, clerks, bill collector and attender. The Government have carefully considered the suggestions and they find that there is no case for the supply of

P.T.O.

duty-free energy to the non-technical staff referred to above, other than the Commissioner. In the case of the Commissioner, the Government consider that the responsibility of the Municipal Commissioner is not the same as that of the technical staff and that the Commissioner being a non-technical man cannot be compared to the Municipal Electrical Engineer, who is a technical man, and they see no justification for allowing in the case of the Municipal Commissioner the same duty-free limit of 25 units p.m. as allowed for the Municipal Electrical Engineer. The Government accordingly direct that the Commissioners of Municipalities owning electrical undertakings be allowed duty free supply of energy up to a maximum of 10 units only per mensem.
